SOMETHING TO REMEMBER...

Learners are expected to participate in at least one activity each term.

If more information is required regarding any of the fee paying extra-murals, please make contact with the person that runs that particular activity. Their contact details can be found on the extra-mural programme.

Attendance registers will be taken at all sports sessions, and this will happen on a weekly basis. If a learner is unable to attend a practice or match for any reason and needs to be excused, a note or e-mail can be sent to either the relevant coach or to the Sports Office. If a learner needs to be excused from a match or sports event, we would like to request that a note or e-mail is sent at least one day prior to that particular match or sports event, so that a suitable replacement can be found.

Grade 3 learners taking part in extra-murals on any given day **MUST** report to the Library to be supervised until the time of their activity. Failure to do so will result in punishment.

If you have any queries with regards to the extra-mural programme, or you have any general queries relating to sport, please don't hesitate to contact the Sports Office. The details are as follows:
